

Broadwater Educational

FOUNDATION

The mission of the Broadwater Educational Foundation is to achieve academic excellence through enhanced classroom opportunities and experiences for K-12 public school students within the Townsend School District No. 1.

The Foundation will fulfill its mission by obtaining donations and contributions from individuals rather than seeking additional funding from property taxpayers. Through a grant application and review process, the Foundation will then provide funding for academic-related activities such as educational programs, elective courses, school room grants, textbooks, supplies, scholarships, and any other suitable and worthwhile purposes.
